Anyone interested in starting a gliding club, please contact Andy Skinner or Chuck Aaron at the STOLport, extension #4848 or 4849.

DISNEY WORLD CLUB INFORMATION:

We are asking for everyone's good cooperation in getting activity in Golf off to a start. Sign-up Sheets will be available at the University offices in the I.S.C. Building. If you have indicated on our Activity Survey, an interest in Golf (male or female), or if you did not fill out a Questionnaire, please come by and sign-up anyway. Sign-up will continue all of next week with a first meeting of the club following shortly.

We are also looking for people interested in bands or sewing classes. Those interested, please contact the University, extension #4744. Organizational meetings will be held the first of January.

Meetings of other activity groups will be held again after the first of the year as we assume much of our employee's free time is now taken up with Holiday arrangements of all sorts. The "D.W.C." wishes to extend our warm thanks for the tremendous interest shown so far, and is anticipating our coming move into a permanent trailer, just west of the Time Card Building.

We need your help!

Looks like basketball will be big. Lots of teams are forming from all over "The World". We need people with experience in officiating games at various gyms and locations around town. Call extension #4744 if you can help and leave your name and phone number.

DID YOU KNOW...there were 12,000 people in complete costume participating during the Dedication ceremonies. This is more than any major movie spectacular to our knowledge. Our hat's off to Wardrobe.
